Appendices

The Appendices do not describe any delegated responsibilities but are included as Appendices to the Scheme of Delegation for convenience.

RAG rating of schools

The RAG rating of schools represents an informal assessment of risk to the school. The RAG rating is used to communicate the assessment of the school by the CEO and executive team to the school, the Trustees, Standards and Finance & Audit committees and the LGB of the school. It is used to determine the extent of support provided to the school and the frequency of school specific oversight by the Standards and Finance & Audit committees.

The CEO will report the current RAG rating of schools at each meeting of the Board of Trustees

The support provided to the school relates directly to the concerns that caused the RAG rating. Concerns may include actual or potential weakness in the Senior Leadership Team, inadequate local financial control, current or potential Ofsted rating below Good, or failure to secure needed improvements at sufficient pace; this is not intended to be a definitive list.

Oversight will involve routine discussion in both Standards and Finance & Audit committees, and may include the committees requesting a review or audit of any aspect of the school's operations. It will also include interviews with as a minimum the Headteacher and Chair of the LGB by committee members during the year. The minimum frequency of the interviews will depend on the RAG rating of the school as follows:-

Rating	Frequency
Green	Once in each school year
Amber	Twice in each school year
Red	Once in each school term

It is anticipated that the majority of the interviews will be held remotely using video meeting technology.

The aggregate RAG rating of all schools will be included in the overall assessment of risk when considering additional schools joining the Trust.

Chairs meeting

This meeting is an ad hoc committee of The Diamond Learning Partnership Trust and has no delegated responsibilities.

Purpose

To provide a forum for communication and discussion of matters of general interest to academies within the Trust

The Diamond Learning Partnership Trust
Scheme of Delegation
February 2021

Membership

The members of this committee will be the Chairs of the Board of Trustees, Standards and Finance & Audit committees and all LGBs, and the CEO.

The Chair of the meeting will be the Chair of the Board of Trustees.

There will be no formal agenda or minutes of the meeting.

Multi-school LGBs

The default position and the preference of the Trustees is that each academy school will have its own LGB. Any school joining the Trust and any new school established by the Trust will immediately have its own LGB.

There are some circumstances in which the Trustees are willing to consider a single LGB being responsible for two or more schools.

- Two LGBs must make an application to the CEO and the Board of Trustees.
- The CEO supports that application.

There are no specific criteria that must be satisfied but as the principle role of the LGB, as stated in the Purpose, is to ensure that children are receiving a high quality education then the application must show how this would be enhanced by the two LGBs joining together.
